Disclaimer

J.M. Voith GmbH hereby disclaims the terminal part of any patent granted on the above-identified present application which would expire beyond the expiration date of the full statutory term of U.S. Patent No. 5,500,091; and

agrees that any patent so granted on the above-identified present application shall be enforceable only for and during such period that the legal title to said patent shall be the same as the legal title to U.S. Patent No.

5,500,091, this agreement to run with any patent granted on the above-identified present application and to be binding upon the grantee, its successors or assigns; and

does not disclaim any terminal part of any patent granted on said above-identified present application that would extend to the full statutory term of U.S. Patent No. 5,500,091 in the event that said issued patent later expires for failure to pay maintenance fee, is held unenforceable, is found invalid, is statutorily disclaimed in whole or terminally disclaimed under 37 C.F.R. 1.321(a), has all claims cancelled by a reexamination certificate, or is otherwise terminated prior to the expiration

of its statutory term, except for the separation of legal title
stated above.
